White Columns Scholarship

Dear Missouri S&T Student:

Congratulations on your admission to Missouri S&T this upcoming fall! The Beta-Chi Educational Foundation is a foundation for students at Missouri S&T, and annually awards over \$10,000 in scholarships to deserving freshmen. If you are interested in applying for one of our White Columns Scholarships, you can apply online at <http://beta-chi.com/scholarships/electronic-application/>.

Funds for this scholarship are provided by alumni of the Kappa Sigma Fraternity. Two White Columns Scholarships are available to any freshmen who attend Missouri S&T. Membership in Kappa Sigma is not required. The White Columns Scholarships are awarded to young men who exemplify the characteristics of the Four Pillars of: Scholarship, Leadership, Fellowship, and Service.

Scholarship: The White Columns Scholarships are given to young men who have demonstrated academic success in high school. We believe academics are the highest priority of a college student.

Leadership: The White Columns Scholarships are given to young men who have demonstrated leadership in high school in organizations, athletics, and/or extracurricular activities. Many of our members hold executive positions in every major campus organization, and our organization places an emphasis on molding leaders for success beyond college.

Fellowship: The White Columns Scholarships are given to young men who recognize the importance of friendship. Our members enjoy fellowship, fun, personal growth, and social opportunities that come with membership.

Service: The White Columns Scholarships are given to young men who have demonstrated a commitment to service in their communities. According to Winston Churchill, "We make a living by what we get, but we make a life by what we give" — Our members take pride in helping the surrounding community.

To qualify for a White Columns Scholarship, you must be a freshman attending the Missouri University of Science and Technology in the 2019-2020 school year, and return a completed application. If you are selected as a finalist for a White Columns Scholarship, we will contact you to set up a time for an interview.

If you are interested in Greek Life or specifically the Kappa Sigma Fraternity, please go to <http://beta-chi.com/rush> or feel free to stop by our booth during your PRO Day.

For questions please contact our White Columns Scholarship Chairman, Gary Yerby, by phone (636) 579-5630 or by email at gwym2@mst.edu.

Sincerely,

Robert Hoffmann '81 BSME

President of the Beta-Chi Educational Foundation
