### STATE OF THE ART FACILITY

The Beta-Chi Chapter of Kappa Sigma Fraternity is one of the largest fraternity houses in the world. It offers two and three person rooms (largest on campus) with upgrades available like private bathrooms and living rooms. We sit on two acres of land at the entrance to the University and our facility includes a basketball court, soccer field, and weight room. We have countless resources to help students succeed academically: a computer room, study room with files for every class, and 100+ brothers to depend upon who provide help and support.

The brotherhood here is unlike any other. Once you join Kappa Sigma you immediately form lifetime relationships. We host Homecoming for alumni and have great attendance. Our alumni also host an annual golf tournament. Our chapter prioritizes fun but also ensures our members achieve their highest potential.

### FINANCIAL SUPPORT FOR ACADEMICS

Kappa Sigma provides thousands of dollars in scholarships to its members every year through our Endowment Fund, support by Beta-Chi Alumni. Learn more by visiting [beta-chi.com/scholarships](http://beta-chi.com/scholarships). The White Columns Scholarship is open to any

incoming male freshman at the Missouri University of Science and Technology. Scan the QR code to learn more and apply.

### FOCUS ON PHILANTHROPY

At Kappa Sigma we give back to our community. Together, we provide more than 7,500 community service hours per year! We strive to help those around us and give members the opportunity to become closer with the community. Every year our chapter hosts philanthropic events for Kappa Sigma's national charity, the Military Heroes Campaign. This charity is committed to supporting ongoing care for our military veterans and their families. Kappa Sigma is proud to raise nearly \$10,000 per year for this worthy organization.

### CONTACT THE RECRUITMENT CHAIR!
