

Rush Kappa Sigma!
beta-chi.com

Kappa Sigma is the largest college social fraternity in the world with more than 200,000 members, including 17,000 undergraduates at more than 300 chapters and colonies located throughout North America.

CHAPTER EXCELLENCE

The Beta Chi Chapter of Kappa Sigma at Missouri University of Science and Technology has again won the prestigious FACE award in 2020. FACE is the Founders Award for Chapter Excellence and is the national benchmark award in Kappa Sigma recognizing the very best undergraduate chapters. Our members are focused on academics, philanthropy, community involvement, fitness, and building leadership characteristics.

STATE OF THE ART FACILITY

Our 96 man, 26,000 sq ft home sets on 2 acres at the entrance to the university and is one of the largest fraternity houses in the country. Being recently remodeled, our chapter house is one of the nicest facilities on campus, with a computer room, dedicated study room, sand volleyball court, a soccer field, weight room, pool table, and

basketball hoop. We have one of the very few houses on campus that offers accommodations with private bathrooms and living rooms. We also have the largest rooms on campus.

SCHOLARSHIP OPPORTUNITIES

In 2020, Kappa Sigma alumni provided over \$20,000 in scholarships as financial aid to its members at S&T. We offer four scholarships. Three of the scholarships require membership in Kappa Sigma. The White Columns Scholarship does not require membership in Kappa Sigma. Other scholarships are available to members only. Apply here: <http://beta-chi.com/scholarships/>

CONTACT THE RECRUITMENT CHAIR!

If you want to be part of the best fraternity in the country contact Michael Crane:
